## INFRASTRUCTURE

FBS is yet another dream project of the Silicon Institute of Technology, a class by itself, to accomplish the mission of making quality education affordable in the state of Orissa and to respond to the ever-growing educational needs of the Temple City of Bhuvaneshwar, soaked in legends.

LOCATION: FBS is situated in a serene and pollution-free environment with lush verdure hills as the backdrop and away from the din and fast flowing vehicular traffic of the city, sprawling over five acres of undulating landscape. The school offers a congenial ambience to pursue academic excellence. The campus is advantageously located in the institutional area (Chandaka Industrial Estate of IDCO, Government of Orissa) of the capital city in neighborhood of the Infosys, TCS, Silicon Institute of Technology and many other educational institutions.

## SCHOOL TIMING:

8:00 / 9 :00 A.M to 12:40 / 2:25 P.M.

## SALIENT FEATURES

The school aims to prepare its pupils to meet the emerging challenges with skill and confidence. Educational programmes, curriculum, supporting activities of the school and time management have been designed keeping these factors in mind. These help the children to become achievers of excellence.

- ❖ A veritable day-boarding school, a notch above the rest in the temple city. Two days left to the child to pursue his/her hobby or chisel or whet other skills at leisure and latitude.
- ❖ Flexible drop -in and pick-up timings to suit working parents.
- ❖ Warm-up sessions including prayer, morning assembly, yoga etc. before routine academic sessions.

- ❖ Stress on interactive, participative and integrated learning, doing away with cumbersome school bags and boring homework. Personalized attention to the taught, highest duration of pupil-teacher contact in school and the best pupil-teacher ratio to impart customized learning. Child-centered and balanced curriculum.
- ❖ Provision for one hour rest / siesta at school to siphon off academic pressure.
- ❖ Availability of uniform, text books, stationery and other academic related materials in the campus.
- ❖ Constant monitoring of health and regular medical examination of the children by experts.
- ❖ SMS services to parents to keep them updated
- ❖ Fine-tuning of scientific temperament of the students.
- ❖ Assessment of the child throughout the year with a variety of assessment tools for continuous evaluation of progress.
- ❖ Inculcation of spirit of healthy competition, teamwork and co-operation.
- ❖ Pollution free atmosphere with idyllic surroundings.
- ❖ Slew of co-curricular activities including dance, music, yoga, swimming, horse riding etc.
- ❖ Committed tribe of experienced and efficient faculty
- ❖ Value for money and affordability
- ❖ Home-made food, hygienic kitchen and dining halls
- ❖ Inviting play grounds for football, volleyball, badminton, Kho kho, Kabbadi and cricket.
